Instructions for Wireless Connection in ICET 2007

Select the “rpguest” wireless network and click on connect

Launch Internet Explorer and click on “Click here for GUEST Registration”

Instructions for Wireless Connection in ICET 2007

Fill in your name, email, and mobile number, and tick the "I accept the above terms and conditions" box. Upon registration, a password would be sent to the user's hand phone

A registration form with a light gray background. On the left, the labels "Handphone" and "Password" are positioned next to two empty text input fields. Below these fields is a rectangular button with the word "Login" written on it.

To Log on to the network, relaunch internet explorer and fill in your handphone number along with the password, then click the "Login" button
